Weather in your city

chennai Search

Chennai, IN scattered clouds
31°C temperature from 31 to 31 °C, wind 4.63 m/s, clouds 40 %, 1010 hpa
Geo coords [13.0878, 80.2785]

Search engine is very flexible. How it works:

- To make it more precise put the city's name, comma, 2-letter country code (ISO3166). You will get all proper cities in chosen country. The order is important - the first is city name then comma then country. Example - London, GB or New York, US.
